An Audience with Martin Chivers

Tuesday 20th November

Tottenham Hotspur & England legend Martin Chivers will be the guest speaker at a fund raising dinner taking place at The Cheshunt Marriott Hotel on Tuesday, 20th November 2007, the night before the potentially crucial England vs. Croatia, European Championship match at Wembley.

You are invited to join us at the Marriott Hotel for a superb four-course meal plus a brilliant and unique evening's entertainment during which Martin will engage in a Question & Answer session with the guests.

There will also be the opportunity for you to participate in a fascinating Silent Auction of rare football memorabilia and a Prize Draw Raffle in order to help us raise funds in aid of the Isabel Hospice, registered charity number 1046826.

Martin Chivers Testimonial

Widely regarded as one of Spurs' greatest ever players, scoring 202 goals in 402 games for the club, including both goals in the 1971 League Cup Final at Wembley against Aston Villa in addition to two strikes against Wolverhampton Wanderers in the first leg of the 1972 UEFA Cup Final to secure a famous 2-1 victory at Molineux.

On the international stage Martin scored 13 goals while winning 24 caps for England and played in the infamous World Cup qualifier against Poland at Wembley in October 1973 when the teams drew 1-1, thanks to the remarkable performance of the visiting goalkeeper, Jan Tomaszewski.

Isabel Hospice

Isabel Hospice care is based on the simple idea that their patients are ordinary people living with physical, social, emotional and spiritual needs. Their Hospice also provides enormous support to families and friends, caring for the patient and all those around them.

They are an independent Hospice funded mainly by charitable donations, having developed their services to meet the needs of the local community and rely on the help of a multitude of specially trained voluntary staff, highly trained nursing staff and specialist doctors to make the lives of patients and their families as good as they can possibly be.

In addition, Isabel Hospice provides a community team of specialist nurses, expert in pain and symptom control who work closely with GPs in the area. To find out more about Isabel Hospice, visit their website www.isabelhospice.org.uk.
